The first thing you'll notice at Villacana are the beautiful gardens. Flowers cascading over white walls, lemon trees, swaying palms, fountains and luscious landscaped lawns creating a wonderful array of colours and aromas. A real oasis. Wander amongst the apartments and it's like being in a small Spanish village. Flower bordered lanes, traditional street lamps, intimate doorways and arches which open out into landscaped gardens, the swimming pool, dining and leisure facilities. Newly refurbished in 2020, this modern 1 bedroom apartment is well furnished and fully equipped, offering guests a perfect home away from home. The property enjoys an abundance of natural light, features air-con throughout and boasts a sea view from the bedroom. Located on the first floor, the apartment has one bedroom, bathroom, modern kitchen and dining/living room (which features a sofa bed). The living room furniture perfectly combines style with comfort, with much of it coming from designer collections. The location of the apartment is within the heart of Villa Cana and allows guests to walk to the beach within 30 seconds. Baobab Beach Restaurant & Beach Bar offers indoor and outdoor dining throughout the day located in the heart of the resort. For a less formal snack, lunch, evening meal or just a drink visit the relaxed poolside bar. Head inside to the newly refurbished restaurant for a more formal feel and a view across the pool and palms down towards the sea. Outdoors you'll find a choice of two swimming pools (one heated), a tennis court and two children's play areas. Venture inside and you'll find a gymnasium offering a selection of fitness machines and free weights and a lovely indoor swimming pool with Turkish bath (steam room), sauna and jacuzzi. Like most locations within the Costa Del Sol you're within easy reach of many activities including water sports, theme parks and nightlife. The beauty of Macdonald Villacana is the proximity to upmarket areas such as Puerto Banus and Marbella both within 20 minutes but also the more traditional town of Estepona to the West - all very desirable areas with a wealth of boutique shops and choice for fine dining. With a great selection of on-site activities, close proximity to a fabulous beach and great location within the Costa Del Sol its no surprise this resort is a huge hit for couples and for families. There are also many world class golf courses nearby.
