The Monte Mayor community offers 24/7 security, spectacular views of the sea from its vantage point in the hills, quick access to the countless golf courses that surrounds it, and a tranquil and peaceful environment, all while being a short drive from the glitz, glamour and excitement of Marbella, Puerto Banús and Estepona.

Villa Margarita is accessed through it's main gate and down the driveway. The front-door opens on the ground floor, with the kitchen and living room directly in front, the master bedroom to the left, and the fourth bedroom and staircase upstairs to the right. The master bedroom offers a large double bed, TV, ensuite bathroom (bath and shower), and walk-in wardrobe. The large windows of the room open up to provide direct access to the garden. The open plan kitchen is fully equipped with all the utensils and appliances expected of a luxury property (washing machine, tumble-dryer, dishwasher, oven, microwave, warming drawer, fridge/freezer, wine fridge, coffee machine, blender, etc). The kitchen has an attached dining area, which also leads onto the living room. The high ceilings of this room keep it cool and fresh in the summer months and allows for great amounts of natural light to illuminate the area. The TV is connected to an IPTV system, which gives access to an extensive list of international channels. The TV can also be connected to the surround sound system, for that cinema experience.

Access to the ground floor terrace can be accessed through the kitchen or living room doors. The terrace is well furnished with exterior furniture and dining table, with a gas BBQ located near the kitchen. The terrace looks out over the private pool, garden and the blue of the Mediterranean Sea.

Back inside, the converted study/4th bedroom comprises of a sofa bed, which converts into a double bed and has access to a bathroom in the corridor, complete with shower. Up the stairs are the 2 final bedrooms. These two rooms share a full bathroom (bath/shower). Both bedrooms are similar in size, however, one offers a large double bed and private terrace, while the other has two single beds and enjoys views of the sea from the balcony.

Due to it's private and spacious design, this property is ideal for families and groups of golfers. We look forwards to hosting you!
