120 €

Reference: M179790 Bedrooms: 3 Bathrooms: 2

Costa del Sol, Marbella

Stunning 3 bedroom penthouse located in the centre of Puerto Banús. The property has unbelievable views of the marina and coastline from its huge windows and terrace, and includes a private parking space in the garage beneath the apartment block. Recently renovated and space for up to 6 guests! The majority of the apartment has been built open plan in order to maximise the natural light that comes through the large wall-to-wall window in the living room. Through the front door, guests will find the kitchen in front, the guest bathroom with shower immediately on the left, and beyond that 2 double bedrooms. The kitchen has recently been renovated to a luxury standard, and includes all of the appliances expected of a high standard property such as this. The living room is well furnished and enjoys an abundance of natural light. There is both Wi-Fi and a large TV in this room, but it is doubtful that this will draw too much attention from the spectacular views guests have from the main window and terrace. The master bedroom is to the right of the living room. This spacious room has its own television and direct access to the private terrace, as well as having an ensuite bathroom.
