Costa del Sol, Marbella

UNIQUE rental and event estate housing 3 separate luxury villas, accommodating up to 80 guests. Perched atop a hill overlooking a Golf Course, the property also enjoys breath-taking panoramic views of the coastline. The estate has two large private swimming pools, immaculate gardens and terraces, and if this wasn't enough, rental of the property also gains you access to a private beachfront chill-out area. With 28 bedrooms shared over 3 different villas, this property is a dream come true for those who like to travel in large groups. The main villa (7 bedrooms) houses the main kitchen, extensive sitting room, and games room. The two swimming pools are located in front of both the first and second villa. The second villa (7 bedrooms) also has a smaller service kitchen and living room, while the third (14 bedrooms) is different to the others as every room is specifically setup as a suite with private bathroom. This unbelievable estate takes reservation in either a 2 villa or entire property format, and the beachfront chill-out area, which can accommodate up to 100 guests, comes complimentary with the rental of the estate, or can be hired privately for events. Don't miss your chance to stay at one of the last gems on the Costa del Sol!
