Costa del Sol, Marbella

Ideal apartment for groups looking to be right in the heart of Puerto Banús. Fully kitted out, with large terrace overlooking Plaza Antonio Banderas. Minutes walk from the beach, shopping, restaurants, bars and nightclubs. Coming through the front door, you have the kitchen to the left (complete with all the utensils and cooking facilities necessary should you wish to cook there, including washing machine and dishwasher). The kitchen has an archway with bar that looks through to the living room, which includes bar stools and plenty of seating. The living room is comfortably furnished, and offers both a TV and strong wifi connection throughout the property. Access to the terrace is through the large windows in the living room. From here guests can enjoy great views of Plaza Antonio Banderas, and really get the feel of the atmosphere of Puerto Banús. Back inside, through the corridor immediately on the left is the first bedroom. This room sleeps 4, two in a sturdy bunkbed, and two more on the single bed that also slides out an additional bed. The corridor has a number of large cupboards with more than enough space for luggage. At the end of the corridor is the bathroom with bath/shower (the boiler for the property is very large so there shouldn't be any problems with hot water). Finally, on the left is the master bedroom. It is a large room with a double bed and plenty of wardrobe space. The neighbourhood: Puerto Banús is one of the most demanded areas on the Costa Del Sol during the summer season, and its not hard to see why. In Puerto Banús you have it all! Exquisite restaurants, designer brands, amazing bars and nightlife, all just metres away! Everything is reachable on foot, however, you do have private parking should you arrive by car.
