Costa del Sol, Marbella

Modern apartment located right in the heart of Puerto Banús. Perfect for guests that like to have everything on the doorstep, with restaurants, bars, nightclubs, shopping, and the beach just metres away. The apartment's large windows that open onto its terrace enjoys spectacular views over the Marina and down the coastline towards Marbella (perfect for enjoying your morning coffee or evening glass of champagne). Strong WIFI throughout, and rental of the property includes underground parking. Upon walking through the front door, you will find the second bedroom (comfy sofa bed) on the right, which has plenty of cupboard space. The property's spacious bathroom is located on the left, complete with large shower and stylishly tiled. Further along the corridor you will find the kitchen, fitted with everything needed should you fancy a home cooked meal, and includes a dishwasher and washing machine. Opposite the kitchen is the main bedroom, which has two single beds that can be joined. Again, there is plenty of storage space, and this room also comes fitted with a safe. The large dining/living room is well furnished and enjoys stunning sea views through large windows over the marina. The terrace space includes a small table and 4 chairs. There is a blind that can extend over the terrace should the Sun be too strong, and also an electric blind that can be dropped should guests want the room to be darker. There is strong wifi throughout the property, and a tv in the living room. The central air conditioning (cooling and heating) is extremely powerful, and will keep you at your desired temperature without issue. In the parking garage under the apartment block, you will be given access to your private parking space (control for access). Your interaction with guests: A representative of Reek & Dalli will be at your disposal before and during your reservation, should you have any questions or issues. Other things to note: For those of you concerned about the potential for noise during the night, the apartment is located on the fourth floor, well above most of the noise, and the main window to the terrace is double glazed. The neighbourhood: Puerto Banús is one of the most demanded areas on the Costa Del Sol during the summer season, and it's not hard to see why. In Puerto Banús you have it all! Exquisite restaurants, designer brands, amazing bars and nightlife, they're all just metres away! Everything is reachable on foot, however, you do have private parking should you arrive by car!
