Costa del Sol, Marbella

First floor apartment in La Alcazaba. This is an exclusive community that boasts a long history in Marbella. It was developed by the famous architect, Melvin Villarroel, who designed Puente Romano and many other stunning developments along the coast.

This prestigious complex boasts indoor and outdoor pools, gym, sauna, Turkish bath, on-site cafe and restaurant, 24-hour reception and security, and all the advantages and services they entail. Just 100 metres from the beach and the Puerto Banus marina and shopping area with bars and restaurants for every taste.

The primary draw of the urbanization, is its central location in the heart of Puerto Banus close to the beach, the harbour and all major luxury shops and restaurants in Marbella. Despite being in the centre of Puerto Banús, the complex truly feels like an oasis in its own right. Here cultures merge to enjoy unforgettable experiences in a splendid environment, surrounded by mature gardens and the sound of Moorish fountains.
