Costa del Sol, Estepona

A wonderful 2 bed / 2 bath - recently upgraded apartment (July 2023). Situated directly on the beach in Estepona, Mar Azul is an exclusive development of high-end apartments surrounding a vast, lagoon-like swimming pool, with lots of other luxury amenities on offer. Mar Azul is a gated community of front-line apartments and penthouses, located on the coastal side of Estepona's New Golden Mile, which are arranged around a series of dramatic, cascading swimming pools set in lush, landscaped gardens that open directly onto the beach. The urbanisation has 24-hour security and CCTV, subterranean parking garage, and lifts to all floors. Mar Azul's infinity pool features waterfalls, fountains, and jacuzzis, with thatched cabanas to lounge in when you've had enough sun, and a seasonal beach bar. Other facilities include a heated indoor pool for the winter months, together with a gym, spa, sauna and steam bath for residents' use. The restaurants, bars, and shops of Estepona centre are a short drive away.
