Costa del Sol, Marbella

Luxury gated complex located 100 meters distance to the beach and a few minutes walk to shops and restaurants. La Alcazaba is an exclusive community that boasts a long history in Marbella. It was developed by the famous architect, Melvin Villarroel, who designed Puente Romano and many other stunning developments along the coast. The primary draw of the urbanization, is its central location in the heart of Puerto Banus close to the beach, the harbour and all major luxury shops and restaurants in Marbella. Despite being in the centre of Puerto Banús, the complex truly feels like an oasis in its own right. Here cultures merge to enjoy unforgettable experiences in a splendid environment, surrounded by mature gardens and the sound of Moorish fountains. There is also a restaurant that opens for breakfast and lunch from March to October, as well as a GYM/SPA area. FACES: South BUILT: 120 m2 FLOOR: First TERRACE: 10-15 m2
